

Bella

This magnificent villa rests serenely along the 9th oceanfront fairway of the Jack Nicklaus Signature Championship Golf Course in Mexico's exclusive residential/resort community — Punta Mita, quoted in Robb Report's June 2002 issue as the "Best of the Best" luxury resort in the world and home of spectacular Four Seasons Resort Punta Mita.

With magnificent views of the golf course, shimmering Banderas Bay and the Marieta Islands, the architectural style of Villa Bella is a fusion of tropical pacific and traditional Mexican elements. Enjoy four master suites, a relaxing living room with adjoining wet bar, family room, dining room, breakfast room, gourmet kitchen, maid's quarters, laundry room, two-car garage and heated pool overlooking the golf course, Puerto Vallarta skyline and the Sierra Madre mountain range.

A 1,500-acre private, gated golf resort community, Punta Mita was designed to provide every modern convenience with as little disruption to the natural environment as possible. No other place can offer the same combination of quality, service and perfect privacy, in as exquisite a setting of natural lush beauty.

3-4 BR
