Luxurious oceanside living awaits at this private villa, exquisitely designed and constructed as part of the small secluded enclave known as Cuatro Casas.

Spacious living areas are accentuated by antiques and contemporary paintings, and the large living room with fireplace is perfect for entertaining. A fully-equipped kitchen is spectacular with a 26' domed brick ceiling, and serves a formal dining room as well as a cozy breakfast area overlooking the ocean.

The master bedroom suite has a fireplace, spacious bath with a jacuzzi and a separate shower. Two other large bedrooms also have *en suite* baths.

The heated swimming pool with wet bar has access to a small pebble beach. All-modern amenities make this an ideal hideaway for those travelers who cannot do without the comforts of home.

Keep this bit of paradise all to yourself, or share the fun by adding reservations for friends or business associates at the nearby sister villas Casa Azul, Casa Escondida and/or Casa Ventura.
