

# Verano

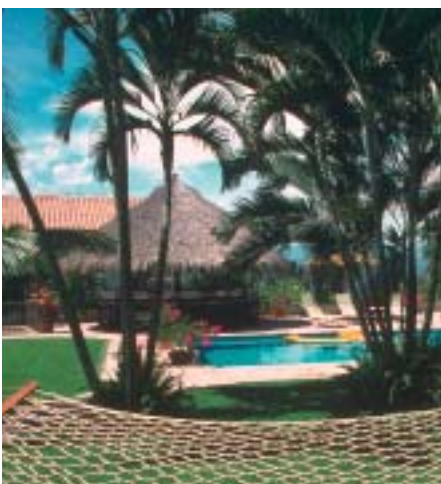

Just steps from renowned Los Muertos beach in beautiful Conchas Chinas, this private waterfront estate in paradise commands spectacular views over Banderas Bay, a chain of sandy beaches, and the picturesque town of Puerto Vallarta.

Massive brick walls enclose the entire estate and are a sentinel for its privacy and solitude. The fabulous lagoon swimming pool and deck are set amid tropical landscaping.

Ten bedroom suites — most with two queen beds, all with spacious marble baths overlooking the ocean — are an integral part of this 14,000 sq.ft. tropical paradise.

Very secluded, yet just a delightful walk to all the shops, restaurants and exciting night life of the Mexican Riviera.

Showcased by Robin Leech in the show "Lifestyles of the Rich and Famous", this villa's enormous popularity requires reservations several months in advance to assure availability.
