

Carmelita

This spectacular five-bedroom villa is set on the hillside in upper Conchas Chinas within five minutes of downtown and walking distance to the beach. Offering the best in comfort, sophisticated decor, fabulous artwork, spacious terraces and unique spaces, and all accented by wonderful views of Puerto Vallarta and Bahia de Banderas, Casa Carmelita blends glamour and tropical nature to paint a portrait with the ocean, sunsets and mountains as your backdrop and all fine amenities at your fingertips.

A large infinity pool cascades over the side of the terrace, complementing the views below. The living room boasts a large mural and several smaller ones, along with intriguing pieces of local art. To keep in touch with the world, there is also a satellite TV/DVD and stereo.

Five air-conditioned bedrooms, all with *en suite* baths, provide a variety of luxurious settings. The master suite with king bed has a large private terrace, jacuzzi and full ocean view. Three bedrooms have queen beds, terraces and partial ocean views, and there is a fifth bedroom with a full-size bed.

The friendly staff includes a private cook, houseman and maid to see to your every need.
