

# Cascada

Elegantly furnished in Mexican Colonial style, Casa Cascada has over 4000 square feet of living space crowned by a 12'x35' swimming pool with a 1100 sq.ft. terrace for sunning or watching incredible Vallartan sunsets.

Built in 2006, this villa offers dining indoors or under the stars, either at the outside *palapa* bar with barbecue or via direct beach access down 50 stairs. Panoramic ocean and jungle views from the bedrooms, living room and kitchen invite you to relax while taking in the lush beauty. A music system in the living room and pool area complements the satellite TV, VCR and DVD in the studio.

Five air-conditioned bedrooms – two with king-size beds, two with queens and one studio with built-in twin beds perfect for children – each have their own *en suite* bath, providing comfortable sleeping for up to ten.

Your private cook with tempt you with delicious culinary treats, and the houseman and maid (who will do laundry on request) keep all in order. World-class golf is a just a short drive away at the Four Seasons Resort at Punta Mita.
