

# Porto Fino

This newly constructed luxury beachfront condominium is located in a secure residential community with gated entrance across from the Marina Club de Golf.

This spacious condo with central air has been professionally decorated and features breathtaking views of the Bay. A large oceanfront terrace with Jacuzzi is spacious enough to include outdoor dining and living areas. Large central entertaining room with dining, living and media area adds cable TV and stereo.

Master bedroom with king bed, ocean view and TV opens onto terrace. Second guest bedroom has two double beds, and the third has two single beds.

Beautifully landscaped grounds at beach level include multiple pools, restaurant bar and green areas, along with a private gym and spa.

Within blocks of the Marina yacht basin and boardwalk with world-class boating, dining, shopping and art galleries.
