

Serena

This multilevel villa is located on sought after Los Muertos Beach, just steps from the beautiful white beaches of Conchas Chinas in one direction and the fabulous restaurants Romantic Zone of town in the other. It is a magnificent and dramatic villa, with open and flowing spaces, full of light and color.

A large entertainment patio is bordered by the heated swimming pool, barbecue and bar, and accented by panoramic ocean views. Inside, an enormous living and dining area under soaring ceilings leads to a terrace overlooking the Pacific. A private elevator connects the levels for convenience.

The eight spacious and air-conditioned bedrooms each have their own terrace, television, private bath and ocean view – one with two single beds designed for children – and five have jacuzzis. Satellite and cable TV, stereo, phone/fax and wireless Internet keep you connected with the world while you escape.

Your professional staff (maid, cook, houseman, gardener, villa manager and 24-hour security guards) will see to your every need. Enjoy the serenity!
